

professionals and the private sector. The ultimate goal is to have the Healthy Environments for Children Alliance Framework for Action implemented in Aruba,

which will ensure that the threats to children, being of economic, social and environmental character are properly addressed.

muchas y hubentad ta relata directamente na nos cuminda y e aire cu nos tur ta respira, y reaccionan alergico pa esaki nan y maleza por causa problema di salud cu por bira cronico si no trata nan.

afecta e desaroyo fisico y mental di mucha.

Chimico utiliza den y rond cas y material di construccion usa pa traha cas to conduci na exposicion na chimiconan peligroso.

#### **Medio Ambiente Escolar Saludabel: Skolnan saludabel, obesidad di mucha**

Mucha na skol y studiante hopi biaha ta ser exponi na situacionan no saludabel debi na calidad pobre di aire den skol, material usa pa construccion toxico y contaminacion chimico, p.e. causa dor di gasnan emititi pa trafico motorisa cerca of banda di skol.

Pobre nutricion y mal custumbernan dietario y falta di ejercicio fisico ta contribui na problema adicional di salud y pa siña.

#### **Medio Ambiente sano Den y Rond di Cas: Calidad di awa, protehando mucha contra exposicion na substancianan toxico, condicionan pa un cas sano, parke urbano**

Calidad pobre di condicionan di vivienda por conduci na problema di salud y stress y ta hopi biaha haci peor pa problema existente social, entre otro pobresa skondi.

Mal tuberia di awa ta conduci na consumo di awa cu metalnan toxico cu por seriamente

Falta di parke urbano ta reduci ainda mas e posibilidad di recreo y ejercicio fisico, ambos elemento esencial pa un desaroyo sano di mucha y hubentud.

#### **Objetivo di e campana**

E campana aki cu lo core te Dia di Tera 2006, ta utiliza e tres diferente componente di desaroyo sostenible, esta social, economico y ambiental pa atende cu e temanan concerni.

Ta e intencion pa envolvi mas tanto gremio posibel den e proceso aki, manera salubridad publico, gruponan y organizacion cu ta traha cu mucha y hoben, profesionalnan medico y sector priva.

E meta final ta pa e Healthy Environments for Children Alliance Framework for Action ser implementa na Aruba pa asegura cu e menazanan y peligernan pa mucha den e areanan economico, social y ambiental ta adecuadamente trata.

**Healthy Environments for Children**

**AN ALLIANCE TO SHAPE THE FUTURE OF LIFE**

### **Children are the most vulnerable to environmental threats**

- More exposed to dangerous conditions
- Consume more in proportion to weight
- Body systems more vulnerable than adults

**More than 5 million children die every year from environmentally-related diseases**

### **Priority Risks**

- Household water security
- Hygiene and sanitation
- Air pollution
- Disease vectors
- Chemical hazards
- Unintentional injuries

### **Healthy Environments for Children are at the Heart of Sustainable Development**

- Improve children's well-being
- Contribute to poverty reduction
- achievement of Millennium Development Goals

**Healthy Environments for Children are at the Heart of Sustainable Development**

- Improve children's well-being
- Contribute to poverty reduction
- achievement of Millennium Development Goals
